Principal

October 11, 2017

Dear Parents:

As we reach the middle of October, we would normally start thinking about getting the wood stoves going and changing our outdoor apparel. However, the past several weeks' weather has held on to our summer activities and saved us a little firewood and heating oil.

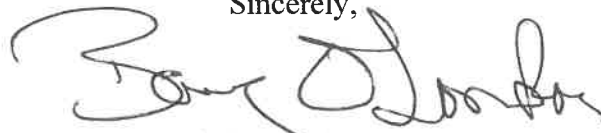

Speaking of activities, there is a lot going on here at Stratton School:

- The soccer season is winding down with the playoffs coming up;
- Harvest Fest/Open House is October 24th that includes vegetables that were planted by students in the Spring;
- Parent Conferences will be scheduled in the not too distant future.

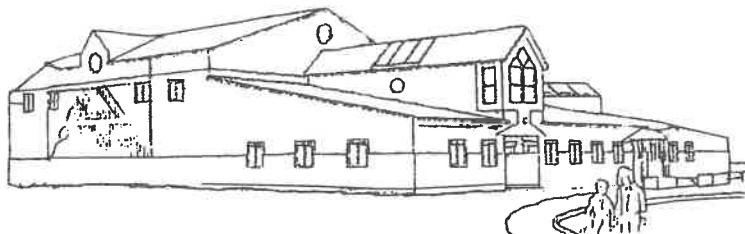

We are optimistic that you will join us for these events, continuing to engage with students and staff promoting a well-rounded education for all of our students.

For more information on any of these and other on-going activities, please check out the school website or contact us here at school. Hope you are enjoying the fabulous fall. See you soon!

Sincerely,

Barry O. London
Principal
