RE: Make-up Snow Days

DATE: March 29, 2017

At the school board meeting last night, we approved making up the two extra snow days by extending the school day by one hour, beginning on Monday, April 3 through Friday, April 14th. Dismissal will be at 3:30 instead of 2:30 for that period of time.

There will be more information to follow. Check out our website and facebook page for further information as well. If you have any questions or concerns, please don't hesitate to contact the school.

Thank you.
