

3/7/2017

Confirmed cases of Influenza have been identified. As we strive to keep everyone healthy, it is most important that students and adults who are sick **NOT** go to school, work, or social activities.

IF YOUR CHILD HAS AN INFLUENZA –LIKE ILLNESS, PLEASE KEEP THEM HOME. SYMPTOMS CAN INCLUDE FEVER, HEADACHES, MUSCLE ACHES, CHILLS, COUGH, SORE THROAT and sometimes NAUSEA AND VOMITTING.

IF SYMPTOMS ARE PRESENT, STAY HOME 24 HOURS AND OBSERVE FOR ADDITIONAL SYMPTOMS. IF NO ADDITIONAL SYMPTOMS OCCUR AND NO FEVER IS PRESENT, IT SHOULD BE SAFE TO RETURN.

Tomorrow, grades 2/3 and 5-8 are headed to the Maine State Museum, If there is any question that your child is ill, **DO NOT SEND THEM.**

Thank you for your cooperation. If you have any questions, please call.
