August 8, 2017

Dear Parents:

The summer continues to march on and things are busy here at school. You may have noticed the new driveway at school that will change the school traffic pattern during the day, but will make for a safer playground. Additionally, the damage caused last winter by snow will be fixed in the coming months.

At the start of school, you will see a few new faces here at school. New bus drivers, custodians, and a social worker have been hired to become part of the Stratton School family. Be sure to welcome them aboard as you meet them.

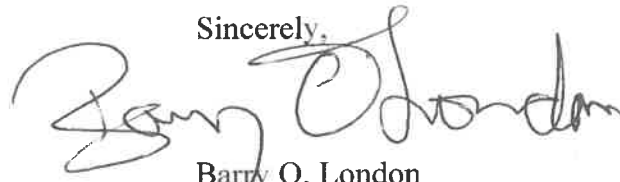

When the school year does begin, I would like to remind you of several things that assist us in making the school day run smoothly and safely:

- Remember to stop for the red lights of a school bus regardless if it is on a road or in the parking lot.
- The school opens in the morning at 7:45 a.m. for breakfast. Please do not drop students off early as there isn't supervision in place at that time.
- If you wish to see a teacher in the morning, please make an appointment as staff are busy getting ready for the day. This may include sensitive conversations that need to be confidential, so please stop at the office and we can make arrangements for the teacher come meet with you.

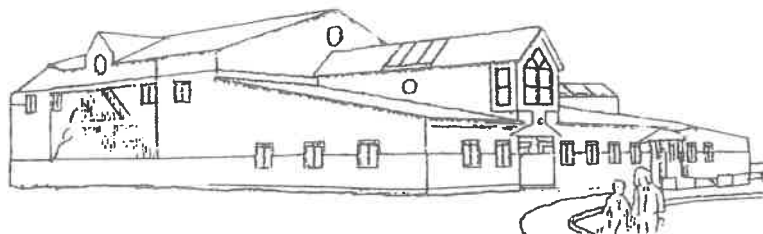

We are looking forward to another exciting and educational year and want you to be part of it. There will be sports events, a Parent Night, and many other awesome activities. Please get involved and don't hesitate to contact us with any questions you have.

See you soon!

Sincerely,

Barry O. London  
Principal
