Principal

March 20, 2018

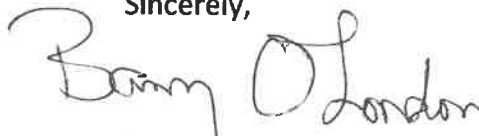

Dear Parents & Students:

In an effort to offset the number of snow days we have accumulated this winter, we plan to add one hour to the school day for the two weeks prior to April vacation, with the exception of the Early Release scheduled for Thursday, April 5th. Although this may make for a long day, the staff believes the teaching and learning opportunities are better than adding days to the end of the school year.

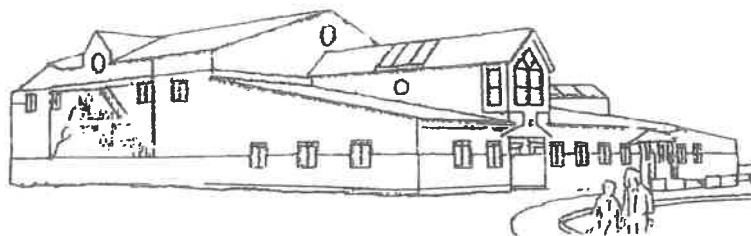

- **Extended Day dismissal – 3:30**
- **Early Release (4/5/18) – 11:30**

If you have any questions or concerns, please contact me here at school.

Sincerely,

Barry O. London
Principal
