Barry London
Principal

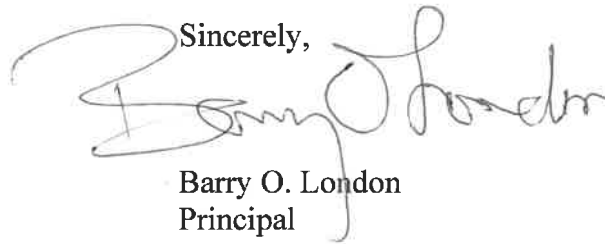

March 7, 2018

Dear 8th Grade Parents:

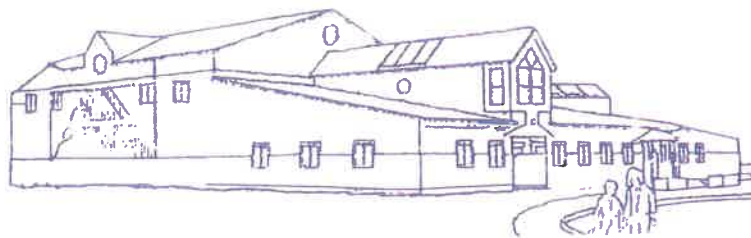

Ben Milster, the Guidance Counselor at Mt. Abram High School met with the Eighth Grade students this past Monday to discuss High School plans for next year. He passed out informational materials for signing up for classes for next year. Mr. Milster asked students to return these materials by March 14, 2018.

If you have questions about this information or the process that is used transitioning to High School, contact me here at school or call Mt. Abram at 678-2701.

Sincerely,

Barry O. London
Principal
