Barry London
Principal

Dear Parents:

Once again May is a busy month and we will be swatting mosquitos before we know it; good for the fishers but not for the gardeners! Given the number of events this month, it is important that you check the calendar and the website (along with your child's backpack) for updates and specific details.

One addition to the calendar that I want to bring to your attention is a Parent Night. **Parent Night is scheduled for May 22nd from 5:00-7:00PM.** In cooperation with the Stratton PTC, area agencies and local individuals, the event is planned for Gr. 5-8 Parents and Students, to engage in dialogue about technology use and communication. Dinner will be served and parents are asked to bring an electronic device such as a phone or an iPad. Please RSVP to the office by May 15th, so we can plan for dinner.

Hope to see you at a ballgame or at one of the many other May activities.

Sincerely,

Barry D. London
Principal
