**RE: Parent Night Update, Thursday, September 21, 2018**

---

In a previous notice sent home, we asked for your involvement determining topics of interest for parent night, and have now scheduled sessions based on this information. The evening will start with parents meeting with teachers in assigned rooms at 4:30. Then they will move to sessions by topics of interest before dinner. After dinner, there will be additional sessions.

The Purpose of the Evening is to Provide an Opportunity for the Exchange of Information that Informs and Educates Stratton School Parents and School Staff, and Promotes Improvement of Teaching and Learning

A schedule is posted on the school website and will be available on Parent Night.

Children of parents attending Parent Night are invited to watch a movie and be fed at a separate time than parents. School staff along with the 7<sup>th</sup> and 8<sup>th</sup> Grade will be providing supervision.

See you on Thursday, September 27, 2018!
