Dear Parents:

September 13, 2018

Barry London  
Principal

As I enter my fourth year as the Principal of Stratton School, I want to share that I have learned a lot. Education is hard work and I can personally attest to this. As we tell our students, part of learning is making mistakes and I know I too have made some along the way. Hopefully, I have also learned and the school community is a better place for it.

One component of education the staff has discussed is parental involvement and providing parent and students with information that better meet your needs. We have set September 27<sup>th</sup> as the date for our first Parent Night and are now crafting the evening centered around parents.

- **What do you have for questions?**
- **What are your suggestions for enhancing the educational community?**
- **Are there terms, assessments, schedules, and/or processes that you wish to better Understand?**

Our current thinking is to have a Pre-K to 4th, and a Gr. 5-8 grouping with specific topics and a question and answer period. The evening will begin at 4:30 p.m. with break-out sessions, then head off to a dinner for parents, before finishing up with several additional sessions. We are also scheduling a movie night for students to alleviate child care and the dinner hour rush. Recognizing these are busy times, we will finish the evening for parents and students at 6:45 p.m. **(STAY TUNED FOR UPDATES/MORE DETAILS).**

Please fill out and return the Parent Night information form below by Wednesday, September 19, 2018. Thank you.
