Dear Parents/Guardians:

All students in Grades K-8 are invited to participate in a Walk to School Day on Thursday, Oct. 4th. The purpose of the event is to raise safety awareness and encourage physical activity. The fun begins at the Community Building where students can be dropped off no sooner than 7:45. All students will need a signed permission slip in order to participate. Bussed students participating will be dropped off at the Community Building and those not participating will continue on the bus to school as usual. Once at the Community Building, a review on street safety will occur and students will walk with adult supervision from the Community Building to Main Street, Pine Street and finally down Park Street to arrive at the school. Parents and Guardians are encouraged to join us. Upon arrival to school, refreshments will be available for adults and breakfast served for students.

If you have any questions, feel free to contact me at the school.

Sincerely,

Trisha Lebeda, RN
