October 24, 2018

Dear Parents/Guardians,

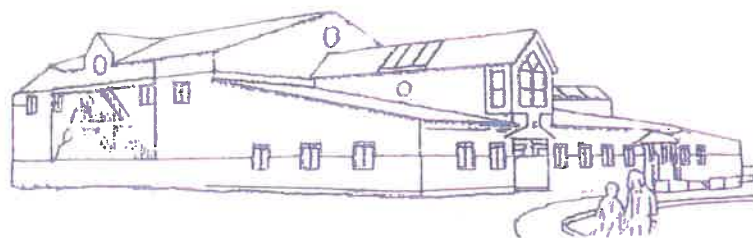

We are excited to have Danielle Wilbur from SAPARS and Hillary Hooke from Safe Voices back with us this year. Danielle and Hillary will be at school every Wednesday for 5 six weeks working with Pre-K through 4th grade on the Healthy Relationship Project. For Pre-K through 2nd grade the focus will be on the Care for Kids program while for 3rd and 4th grade the focus will be on We Care Elementary Program. They will be implementing curriculum with students around developing and building healthy relationship skills.

Please take a look at the information sheet that has been provided regarding the curriculum and lessons. If you would like further information please do not hesitate to contact me. You may also contact Danielle at SAPARS as she will be presenting curriculum for Pre-K-2 or Hillary at Safe Voices for grades 3 and 4. Their contact information is located at the bottom of the information sheet.

Sincerely,

Andrea Drumstas, LSW
School Social Worker
