December 10, 2018

Dear Parents:

As the holiday break fast approaches, I hope that you are not frazzled from the commercialization of the season we are now exposed to, and, that you are able to relax with family and friends during the break.

Here at school, students are enjoying playing in the piles of snow and are unfazed by the winter weather; this activity does bring back childhood memories that have long since passed!

On the academic front, it is hard to believe that we have finished the first trimester. Report cards have gone home, and some of the fall assessment results are in. I am happy to report that Stratton scored above the state average in all three academic areas. Be sure to reach out to your child's teacher, if you have any questions. Please ask your child about what they are learning!

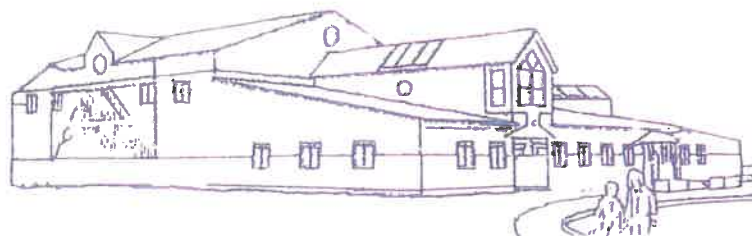

Be sure to check the calendar for upcoming events that include performances and athletic events. Also, something that is not on the yearly or monthly calendar is that **Friday, December 21<sup>st</sup> is an Early Release**. Students will be served lunch and dismissed at 11:30.

Have a safe and happy holiday!

Sincerely,

Barry Q. London  
Principal
