Principal /
Asst. Superintendent

September 16, 2020

Dear Parents:

Next Wednesday, September 23rd, is a scheduled Early Release day. With the exception of Pre-K students, Stratton School students will be working remotely from home that day. Students are expected to check in with their teachers on Wednesday and then will have school work to complete at home. Teachers will be providing students with additional information leading up to the remote learning day.

If you have any questions, please don't hesitate to call.

Sincerely,

Barry O. London
Principal/Assistant Superintendent
