Barry O. London
Principal /
Asst. Superintendent

January 15, 2021

Dear Parents:

Just a reminder that students are expected to attend school every day regardless of whether physically in the school building or working remote. Although the Remote Learning sessions are typically shorter with assigned independent work, attendance is required according to state statutes.

If a student is absent, please contact the school in the morning so we can plan accordingly and accurately complete our state reporting.

Thank you.

Sincerely,

Barry O. London
Principal/Assistant Superintendent

Come grow with us!
