

THANK YOU

STRATTON/EUSTIS COMMUNITY AND LOCAL ORGANIZATIONS

THANK YOU for providing assistance and help throughout this holiday season to our families. Thanksgiving food baskets from Franklin County Board of Realtors, the Mason's Club and Fotter's were graciously donated. So many Lion's Club members have taken their time and resources to purchase and wrap gifts for our student's and their siblings. Our entire school community, staff, students, and parents are forever grateful for all the care and support that is provided not only through the holidays but throughout the year!

Happy Holidays and many thanks to all!

Sincerely,
Stratton School
