January 11, 2023

Dear Parents:

It's hard to believe that over a third of the school year has gone by. It always seems that things go by in the blink of an eye! In the second trimester, we look forward to the Ski-Skate program beginning for students in Grade 1 – 8. The Student Wellness Committee is hoping to plan a Winter Field Day as well. Please stay tuned for more information about this fun event!

Stratton School works hard to foster a rich learning environment that focuses on the core elements of education while enhancing the school day with experiential learning opportunities.

We are excited to get the Girls and Boys Basketball season underway as well as a Cheering Club and an Alpine Ski Team. Please help your athletes to foster good habits of sleep, nutrition, and academic excellence.

Winter NWEA testing will take place from January 17-31, 2023.

Attendance is also crucial. If you can hold off on appointments until after school or on vacations, that is a plus. Please keep your child home if they are sick, but if they are able to be here, please make that happen.

Important things to note:

- **On Ski-Skate days, there will not be an AFTERNOON Eustis bus run at 2:30. Students that normally ride the Eustis bus will need to be picked up at school.**
- **There is an Early Release Day on January 18, 2023. Students will be served lunch and dismissed at 11:30.**

Thank you for your continued support in making your child's education successful.
Teamwork makes the dreamwork!

Yours in Education,

Tabitha I. Emery
Principal
