April 27, 2023

Dear Families:

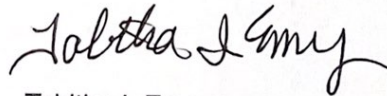

On Friday, May 5th, seventh and eighth grade students will receive education on Pregnancy and STI prevention from Cortney Klemperer, RN.

Students will receive age-appropriate information about human growth and development and the reproductive system, healthy relationships, consent, abstinence, sexually transmitted diseases (STDs), and pregnancy prevention methods.

You will be able to opt your child or children out of instruction with a written request, and you will also be able to review our sexual health curriculum prior to instruction taking place if you choose to.

If you have questions or concerns please feel free to contact the school at 246-2283 or email: temery@strattonschool.org.

Sincerely,

Tabitha I. Emery

Principal
