October 26, 2023

Dear Stratton School Family and Community:

We all wish to share our thoughts and prayers for the Lewiston Community after the tragic incident that took place Wednesday, October 25, 2023. The school administrative staff met this morning to review this event and to review our past and present protocols and procedures for threats to our school community.

We want to assure you, we feel we have a safe school environment and will continue our efforts to maintain this.

If you would like additional information or resources, feel free to reach out to the school. Stay safe and continue your loving and caring support for your families and the school community.

Sincerely with a heavy heart,

Barry O. London
Superintendent
