DATE: March 26, 2024

SUBJECT: Middle School Softball and Baseball Update

We are excited to announce that middle school softball will tentatively be starting the week of April 8. **Unfortunately, we will not be fielding a middle school baseball team this year.** However, we will be holding baseball practices two days per week for those interested in participating. This will be an opportunity to learn new skills with Coach Greg.

Softball practices will be held Monday through Friday from 2:30 to 4:30 p.m. at the school field. The first game is scheduled for April 29th, so it is important that all players attend practices regularly to prepare for the upcoming season.

For those interested in baseball, practices will be held on Tuesdays and Thursdays from 2:30-4:30 p.m. More information regarding the baseball and softball program will be provided in the coming days. We are waiting for confirmation on game dates and that information will be forthcoming.

We are looking forward to a successful season for our fifth through eighth grade athletes. Thank you for your support and dedication to our sports programs. Please let me know if you need any additional information or have any questions.
