V. Principal's Report

1. School updates – Tabitha was absent. Tim read notes from Tabitha that she had prepared for the meeting.

Tim spoke of two families with serious medical needs going on at present at our school. Ski/Skate was supposed to start on Monday, but was cancelled due to high winds. We will plan to use a make-up day in March.

At present, we are equipping our van with studded tires and a ski rack, so it can be used to take to ski practice and ski racing.

We are experiencing a critical shortage of bus drivers and night time custodians. Let us know of anyone that might be interested. Thankfully several Ed. Techs. Have been filling in the gap when they can.

The basketball teams have been doing well. They have about 5 games and a tournament on Feb. 6/7 in Madison left of the season.

Susan from our Business Office, will be here in person in January to talk about preliminary budgets.

We are going to be needing some OT help this year and even more next year at an hourly rate.

Tim brought up the use of AI in the classroom. Mrs. McCluskey is using it basically for research and it is not abused.
